MathType 7 is a powerful interactive equation editor for Windows and Macintosh that lets you create mathematical notation for word processing, spreadsheet, and presentation creation.-Oh, he's coming." "Hello, father." "Oh, hey." "You know, I was just thinking about you." "You know, this morning, you mentioned that this clark's time frame was different from the time you gave me." "Oh, he's just going to break through." "No." "He had a set amount of time." "How much time?" "The way that I found the ring was in 1,000 years." "I believe that clark will be back in that same amount of time." "I don't think so." "He gave me a set amount of time to find it, and I found it." "And if it was here, he's gonna be back in 1,000 years." "Clark, everything takes time." "Do you really think that you could get back in less than a year?" "I know I can." "He said it would take the entire world to find it." "I can find it." "Clark." "My ring's here." "It's still there." "You're right." "We have time." "You're right." "You are really clark's father." "I can't believe that I'm finally meet the man who's gonna take me away from all of this." "There are things that we need to discuss." "What's going on?" "What is it?" "Where is Clark?" "He's not back yet." "Something else happened." "Lex, what is it?" "On the way home, I saw clark's father." "He's back?" "I know the timing is bad." "I'm coming back to earth, eventually." "It's a little faster than we expected." "We could have made this journey together, Kal-El." "What do you say?" "I'd like that." "Clark's looking for us." "I want you to be the first to know that I'm back." "I'm coming back to you." "Are you really my father?" "I'm glad you're safe, son." "Where's Lana?" "She's safe." "Just like you planned." "If Lana's there, then the others are too." "And
